LOCATION

Located high in the lush green hills above Samui's popular Bophut resort area, Suralai is just 6km from Samui's international airport and 7km from the beautiful, palm-fringed, sandy beaches of the island's main tourist centre, Chaweng and Chaweng Noi.

Thanks to its elevation, the villa enjoys spectacular views of the island's north-east coastline and the Gulf of Siam all the way to offshore islands such as Koh Phangan (popularly known as 'Full Moon Island'), as well as of the island's striking mountainous interior with coconut palm-clad slopes, natural rainforests and dramatic waterfalls.

Circumnavigating Koh Samui by car takes just over an hour, so nothing is very far away. The key jumping off point for boat trips and excursions to many off-shore islands is a merely 6km away at Big Buddha.

Highly accessible and convenient, Suralai is always a peaceful sanctuary away from all the noise and activity, waiting to envelop you in luxury.
